ACTION REQUIRED - REFERENCES			

1. In order to contribute to the effort being made to locate and apprehend subject, who reportedly shot and killed MARTIN LUTHER KING, Headquarters checked its records for information on the subject. This check was unproductive.
2. We also checked travel listings of US citizens who travelled to Cuba, as well as the LIONION production for the months of October and November 1967, on the off chance that subject may have visited the target, since he allegedly was in Mexico during this period. This effort likewise met with negative results.
3. The above is furnished merely for the Station's information.
